Collins Mwangi

Junior Dev

Thika, Kiambu, Kenya

Summary

As a passionate web developer with 5 months of hand-on experience in both front-end and back-end development. Proficient in HTML, CSS, and Django, I am committed to continuous learning and professional growth, eager to tackle new challenges and contribute to innovative projects that enhance user experience and functionality..

I am a dedicated web developer with 5 months of hands-on experience in both front-end and back-end development. My skill set includes:

Front-End Development: Proficient in HTML and CSS, I focus on creating visually appealing and user-friendly interfaces that enhance user experience.

Back-End Development: With a solid foundation in Django, I am capable of building robust web applications and managing server-side logic.

I am passionate about learning and continuously improving my skills, staying updated with the latest technologies and best practices in web development. I thrive in collaborative environments and am eager to contribute to innovative projects that make a difference.
